

Refund Policy

1. Refunds: Refunds for fees paid for the filing of Applications for Nomination will not be made because the processing of the Application has occurred.
2. Erroneous Credit Card Charges: Erroneous credit card charges rarely occur. In the event a customer believes his/her credit card account was Erroneously Charged, the following is the process to rectify the situation:
 - a. The customer must provide the Agency with information relevant to the charge in question, including a copy of the credit card statement showing the erroneous charge;
 - b. The customer must complete a [Verified Claim Form](#) and submit it to the Agency.

The above information must be provided in hard copy to the Wyoming Secretary of State's Office at 200 West 24th Street, Cheyenne, WY 82002-0020.

Upon receipt of the above information, the claim will be reviewed in order to determine if a refund is warranted. The refund will be issued to the card holder. The card holder will be mailed a State of Wyoming Warrant (a warrant is similar to a check) for the amount of the refund approximately 15 business days following agency processing.
